

CCM Newsletter

Issue 2— January - June 2022

Welcome

Welcome to the beautiful campus of the Catholic College of Mandeville. Despite the upheaval of Covid19 it is appealing and pleasing to the eyes. It is surrounded by nature and provides respite from the closed door and stifling restriction of pandemic life.

Restorative Practices

The Restorative Practices session was held as a part of the CCM initiative to implement, meaningful effective, and non-judgmental ways of resolving conflict in the educational environment.

Diocese Of Mandeville EC Conference

In Transforming Catholic Early Childhood Education in Jamaica, the Roman Catholic Diocese of Mandeville held a conference on March 3, 2022, at the College. One hundred and twenty-four administrators, principals, and teachers in the Archdiocese of Kingston, Mandeville, and Montego Bay engaged in dialogue.

- Summer Registration

July

- Research submission
- Summer classes
- Research Orals

August

- Office reopens Aug. 2
- Registration 8-12
- Classes begin Aug 29

Science Exhibition 2022

Teaching practice (TP) is integral to teacher education. This allows student-teachers to apply the theories to practice. Effective preparation of student-teachers in practical subjects will help them teach the arts efficiently.

The science subject was taught at Early Childhood level across the parishes of St Elizabeth and Manchester. The display of the projects was in the Science lab for the benefit of students and staff.

Some of the topics on display were:

The Earth Structure

Natural Disasters

Solar System

Teaching Practice 2022

Teaching Practice is an opportunity for aspiring teachers to understand the role and operation of how the business of schooling is done. This field experience provides a challenging yet rewarding experience of working with students in actual classrooms and acquiring professional competence.

The student-teacher is practicing her pedagogical skills with a student in the classroom.

Jamaica Day Highlights February 23, 2022

Jamaica Day is an annual celebration that recognizes the nation's unique aspects and its contributions to the world. Conducted under the auspices of the Culture in Education Program, the special day is operated by the Ministry of Education, Youth and Information.

Spring Conference 2022

Spring conference brings the final year Masters students to the end of their tenure. The golden opportunity arrived as they boldly, calmly, and sometimes somewhat nervously present their final papers on their topic using the action research method. They present before a panel, classmates, and invited guest/s.

6th form Pathways programme

The 6th form Pathways programme in Collaboration with the Catholic College of Mandeville opened its doors to new students in the year 2020. The programme offers Computer servicing, Housekeeping Digital Animation Agro- Food Processing, and Customer engagement operations
